OFFICIAL QUOTATION

CLIENT INFORMATION

Client Name: Vinodha Naidoo

Project Date: 19 August 2026

Address: 23 Lords Avenue, Windsor West, Randburg, Johannesburg, Gauteng

Projected Start: TBC (subject to site survey)

PROJECT DESCRIPTION

Strip-out of existing tiling, waterproofing and re-tiling at the client's residential property. The works are supplied and executed as a complete turnkey item -- all materials listed below are supplied by BuildRight Solutions and are included in the quoted totals.

MEASUREMENTS -- PER CLIENT SKETCH

Element	Dimension	Area
Tiling -- run A	440 mm span	as measured
Tiling -- run B	140 mm span	as measured

Dimensions transcribed from the client's sketch. Final quantities will be confirmed by tape measure during the site survey prior to commencement, in line with the terms below.

MATERIAL SPECIFICATION

Material	Quantity	Purpose / Notes
Cemex waterproofing compound	10 L	Waterproofing application to substrate
Tile adhesive -- wall & floor	8 x 20 kg bags	Fixing tiles to prepared surface
Bonding liquid / tile mix additive	5 L	Strengthens tile adhesive mix
Waterproofing membrane cloth -- long roll	1 roll	Waterproofing membrane layer

Note: Waterproofing membrane cloth is priced at the standard roll estimate (1 roll). As a longer roll length is required for this job, this line item and the totals will be confirmed and adjusted once the exact run length is measured on site.

Note: Floor and wall tiles themselves are excluded -- to be supplied by the client, or quoted separately once tile selection is confirmed. Tile grout, spacers and trims are also not included in the materials above.
